2:00 PM with the Mid America Contingency Planning Forum (MCPF) which is a group of Business contingency planners

Since the release of the shelter in place/evacuation response plan I have fielded several calls from business and schools in the area asking what they can do to prepare. Because of this, I have scheduled 2 meetings to not only discuss preparedness but to also (hopefully) alleviate some of the fear and panic. Please let me know if you will have a representative available to attend each meeting. I would like your participation to answer questions that may be relevant to your agency's expertise.
